MESCO/EE-IT/AEE-IT-1/AE-IT-Gen/2018-19/ *CYS-33*

Date: 14 DEC 2018

CIRCULAR

Sub: EODB - Deployment of HT Web Application for Non-RAPDRP Areas.

Ref: 1. Action Points under Ease of Doing Business - Business Reform Action Plan 2018-19.
2. T.O. Approved Note No:29/17-18/IT para (86) dated 13.12.2018.

Adverting to the subject, as per the Action Points under Ease of Doing Business (EODB)- Business Reform Action Plan it is directed to implement an online application system with following features:

- Single window system for Electricity Connection
- Online submission of application without the need to submit physical copy of application.
- Eliminate physical touchpoint for document submission
- Allow option of online payment of application fee
- Allow applicant to track status of application online

As per the compliance to the EODB action point, the web based application for HT new connection is developed by MESCOM which is deployed and is made ready for usage in Non-RAPDRP areas. The HT Web Application is a utility software for both Consumers and MESCOM officers in applying for new connection and processing registered applications respectively which is integrated with the Karnataka Udyoga Mitra (KUM) portal. The HT online application is made mandate as it is recommended by the Department of Industrial Policy & Promotion, Government of India in Business Reform Action Plan 2018.

In this regard, I am directed to inform that all the HT applications of Non-RAPDRP area are to be processed in the online software. The link for the application is provided in MESCOM website as '**MESCO OFFICERS LOGIN**' at right side of the MESCOM web page. Officers can contact IT Division MESCOM for any clarification in this regard.
