CIRCULAR

**Sub : Arranging Power Supply to LT and HT Tariff for prospective consumers
- ON-LINE**

Preamble:

At present the prospective consumers seeking Power supply to their premises in MESCOM jurisdiction are submitting their application in the paper format to their respective Subdivisions/Divisions. MESCOM IT section has developed a facility for ON-LINE submission of the application for the consumers by logging into MESCOM web Site www.mesco.in and further process of arranging power supply will be performed by the MESCOM officers.

Web based application for LT or HT Web connection is an online single window system for both applicants and MESCOM officers for applying for new connection and processing registered applications respectively. Applicant will be registering in the portal and login into their account to submit LT or HT new connection application. They can upload the supporting documents, print the application and check the status of the application.

MESCOM officers will get notified once the prospective consumer submits the application. MESCOM Officers will login and process the LT or HT application received. E-Mail gateway is used for notifications between MESCOM officers and consumers.

During the meeting held on 26.03.2019, the Managing Director, MESCOM, directed that, henceforth entire work of arranging power supply to prospective consumers should invariably be carried out in **ON-LINE mode** only. The necessary provision for this is made operational in the MESCOM website.

Hence the order;

Arranging power supply to the prospective consumers in entire MESCOM jurisdiction is mandatorily to be carried out in **ON-LINE mode** only by utilizing the facility provided in MESCOM website www.mesco.in from **01-04-2019** onwards.

Ant.
